## Positive Behavior = Success in School & Beyond! Cyclone Pride Ticket Blasts will Continue in 2023

At Sand Creek Elementary we will be:

SAFE  
RESPECTFUL  
RESPONSIBLE

Focus for the Week: RESPECT

Please talk to your child about this very important life skill. It all starts with modeling this for our children and expecting it in return. When you find your child not showing respect to you or someone else, this is a great time to stop them, and ask them to try again with respect. If they are still struggling, you may need to provide for them the appropriate response. Depending on the child's age and level of development, consequences and maintaining high expectations are crucial as well to reinforce the importance of this life skill. Let's all do our part to help our students show RESPECT in all aspects of their life.

## Growing Better Attendance

Attendance for the Week of Jan. 23-27: 89.4%

School-wide Goal - 95%

Attendance = Academic Success = Lifelong Success

If your child has missed more than 10 days of school this school year, a doctor's slip or verification by our school nurse of your child's reason to be absent is required. Chronic absenteeism has a serious impact on a child's educational success.

Please contact our office if you are in need of additional support to help improve your child's school attendance. We are here to work with you to help your child have a successful school year.

Visit [attendanceworks.org](http://attendanceworks.org) for more tips on helping your child keep/have good attendance.
