

Cyclone Connection

January 8, 2024

**No School, Monday, Jan. 15 in observance of
Martin Luther King Jr. Day**

Parent Volunteers Needed for Curriculum Adoption Committee:

Calling Parent Volunteers!

JCSC is reviewing curriculum adoption materials for math for kindergarten through 8th grade. If you would be interested in serving as a parent volunteer for math textbook adoption review, please contact Carrie Manowitz, JCSC Director of Curriculum and Instruction by email at cmanowitz@jcsc.org.

PBIS at SCE:

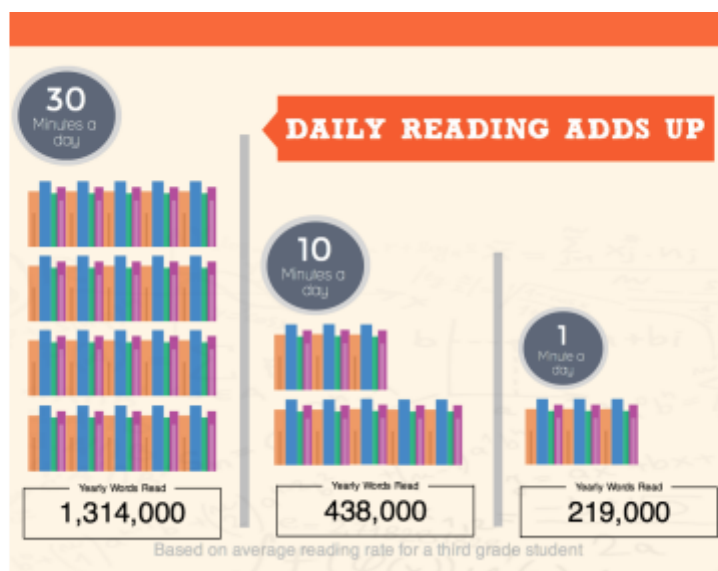

SCE is a PBIS (Positive Behavioral Interventions and Supports) School! Please join us in promoting and teaching positive behaviors that are focused around these three core values.

AT SCE, WE ARE: SAFE RESPECTFUL & RESPONSIBLE

.....

Building the Future - Promoting Lifelong Readers and Learners

If you are always wondering if your child has homework, I promise you that every teacher is asking your child to read outside of school and research is saying at least 30 minutes. Now, this may be a combination of you reading to your child and your child reading to you, but to make the long lasting impact on educational success and creating a lifelong learner, parents MUST be involved in promoting literacy. If you are needing more to read at home, please let us know and we will be happy to assist.

Little Cyclone Days

at SCE

Little Cyclone Days - It's Not Too Late to Sign Up

Calling all Future Cyclones! Join us this year at Little Cyclone Days here at SCE on the third Thursday of each month. We will have our next meeting on January from 1:15-2:45 for some fun learning activities. Register with the link below or call 812-352-9343 to let us know you are coming.

Registration Link - [Click Here](#)

1/25 - Mobile Dentist

3/12 - Spring Pictures

3/18-22 - Spring Break

Link [SCE calendar](#) with your calendar to stay Up to Date.

JCSC Inclement Weather 23-24 Instructional Guidelines

If inclement weather requires school to be canceled, the following guidelines will be in place. The chart below describes the type of instruction that will occur on the day to meet the 180 day requirements.

JCSC Inclement Weather Planning 23-24	
Day 1	eLearning Day (Students work online at their own pace, no live instruction)
Day 2	eLearning Day (Students work online at their own pace, no live instruction)
Day 3	Virtual Learning Day (Students will complete live online learning. Students must login to class times for live lessons from the teacher online.)
Day 4	Virtual Learning Day (Students will complete live online learning. Students must login to class times for live lessons from the teacher online.)
Day 5 and beyond	Virtual Learning Day (Students will complete live online learning. Students must login to class times for live lessons from the teacher online.)
<i>Additional Option: JCSC may also call a traditional snow day. During this type of day, students do not complete any online work at home and instead make up the missed day on another date. Teachers also do not work on traditional snow days. If this option is used, the first scheduled make up day used would be April 1st.</i>	

January Cyclone Connection Newsletter Prize Sign-up

One Lucky Family and One Lucky Classroom will win! Family Prize will be sent home to the family that is randomly drawn after completing this response form showing that you have read our weekly newsletters in January. Then the classroom that has the most responses will win a popcorn party. You may enter one time each week for each student in your household, and you can enter each week in January. The drawing will held at the end of January and the Prize Winners will be announced in the first February newsletter. Thanks for supporting your student by staying informed by reading our Cyclone Connection.
