PARENT TEACHER CONFERENCES THIS WED AND THURS.

We look forward to our fall parent/teacher conferences this week. Please look for your confirmation on time from your child's teacher. If you need to reschedule, contact the office or the teacher through Parent Square to reschedule.

Hints for a Successful Conference:

- Conferences are scheduled for 15 minutes.
- Arrive a few minutes early
- Focus on your child.
- If you have several questions, write these down and bring them with you.
- If you are unsure of classroom procedures, homework expectations, or important dates - ask!
- If there are stressful factors in your child's life, you may want to mention them. It may help us to better serve your child.

Remember, you are the most important member of your child's educational team. Be prepared to work with the teacher in order to help your child gain the skills needed to prosper in school and life.
